Data's Army After-Hours AI Calls: Pricing & Pitch Sheet

All prices are proposals pending approval, not market-tested figures.

Pitch: Every missed after-hours call is a lost job. Our AI answers your business line when you're closed, takes messages, captures leads and sends you a summary by morning. On Pro and up, it also answers questions from your own documents and posts everything to your dashboard.

Direct plans (local businesses)

Plan	Monthly	Included	Best for
Starter	$149	100 after-hours calls, messages + lead capture, email summary	Solo shops
Pro	$299	300 calls, document-trained answers, SMS alerts, dashboard	Busy service businesses
Premium	$499	750 calls, booking/escalation rules, priority support	Multi-location

Overage: $0.75/call. Setup: $199 one-time (waived on annual).

White-label / reseller plans

Tier	Platform fee / month	Client seats	Wholesale per active client seat (on top of platform fee)
Partner	$399	up to 5	$79
Agency	$899	up to 15	$59
Enterprise	Custom	16+	from $45

Example: Partner with 5 clients = $399 + 5 x $79 = $794/month.

Your brand, your domain, your price. Suggested resale: $149-$499 per client per month **(PROVISIONAL - Leon can override)**.

API setup (paid)

- Standard API setup: $750 one-time (phone number, CRM/webhook hookup, testing)
- Custom integration: from $1,500
- Reseller per-client onboarding: $150
